

21—76.11(189A,167) Transportation of decharacterized inedible meat or carcass parts. No person engaged in the business of buying, selling or transporting in intrastate commerce, dead, dying, disabled or diseased animals, or any parts of the carcasses of any animals that died otherwise than by slaughter, or any other inedible product not intended for use as human food, shall buy, sell, transport, offer for sale or transportation or receive for transportation in such commerce, any dead, dying, disabled or diseased livestock or poultry or the products of any such animals that died otherwise than by slaughter, or any other inedible product not intended for use as human food, unless such transaction or transportation is made in accordance with Iowa Code chapters 167 and 189A and 21—Chapters 61 and 76.

76.11(1) All carcasses and other inedible material received for processing, and all decharacterized inedible material shipped from the plant, shall be transported and delivered in closed conveyances. The conveyance shall be constructed in such a manner as to prevent the spillage of liquids and material and in accordance with rules 21—61.15(167) and 21—61.16(167), Iowa Administrative Code.

76.11(2) Rendering plants and pet animal food processing plants outside the state of Iowa, from which decharacterized inedible meat or carcass parts are shipped into the state of Iowa, shall be certified by the proper public officials of the state of origin that the processing plants meet at least the minimum standards as set forth in these rules.

This rule is intended to implement Iowa Code sections 189A.8 and 167.15.
