

223—48.24(404A) Management of annual aggregate tax credit award limit. The department shall not register, as described in rule 223—48.31(404A), more projects in a given fiscal year for tentative awards than there are tax credits available for that fiscal year under Iowa Code section 404A.4. The department will determine the projects for which sufficient tax credits are available based on the estimated qualified rehabilitation expenditures identified in the registration application, plus allowable cost overruns as described in paragraph 48.32(1)“c.”

48.24(1) Registration scoring. If applicants’ total tax credit requests from a fiscal year allocation exceed the tax credit allocation for that fiscal year, the department will prioritize its determinations based on the applicants’ registration scores. If, after determining the projects for which sufficient tax credits are available, the department determines there are insufficient tax credits in the fiscal year allocation to fully award the next highest scoring project, then to maximize the use of the available tax credits, the department in its sole discretion may register the project with the next highest score whose tentative tax credit award amount, including allowable cost overruns as described in paragraph 48.32(1)“c,” would not cause the department to exceed the annual aggregate tax credit award limit, so long as the project meets the minimum score as described in rule 223—48.31(404A). If there are no more projects that meet the minimum score described in rule 223—48.31(404A) that can be fully funded, the department in its sole discretion may make the remaining tax credits available for small projects or allow the remaining tax credits for the fiscal year to carry forward to the succeeding fiscal year to the extent permitted by Iowa Code section 404A.4.

48.24(2) Registrations for future tax credit allocations. Registrations for future tax credit allocations require a new application. When registering projects for a particular fiscal year, the department shall not award, reserve, or register tax credits from future fiscal years’ tax credit allocations. An applicant whose project is not registered due to an insufficient score or noncompliance with the application or the program statute or rules may submit future applications for future fiscal year tax credit allocations.

48.24(3) Reallocation or rollover of available tax credit awards. Tax credits may be reallocated or rolled over into future fiscal years to the extent permitted by Iowa Code section 404A.4.

This rule is intended to implement Iowa Code section 404A.4 as amended by 2014 Iowa Acts, House File 2453.
