

261—301.2(15) Program description. The ICCG program shall operate as a competitive grants program administered by the authority under the direction of the director or designee. Iowa cities, county governments, tribal councils and nonprofit, tax-exempt community groups may make application to the authority which will approve or disapprove all submissions based upon published criteria. The ICCG program shall provide funding to successful applications, subject to local matching funds provisions and contractual terms as set forth in an agreement between the authority and any successful grant recipient.
