

261—301.5(15) Review criteria. Review criteria shall include the following minimum criteria:

1. The historical, ethnic, cultural, and tourism value and quality of the proposed project;
2. The number and impact of full- and part-time employment for Iowans created by the proposed project;
3. The degree of collaboration with other interested entities;
4. The financial need of the applicant for the proposed project; and
5. The appropriateness of the project budget.

Additional review criteria are as listed in the published project guidelines.
