

261—406.8(15,476) Administration.

406.8(1) *Notice of approval or denial.* The authority will notify applicants in writing of the board's approval or denial of an application. If the application is approved, the notice will include any conditions and terms of the loan.

406.8(2) *Contract.* After notifying the borrower of an award, the authority will offer a contract to the borrower. The contract shall be between the Iowa energy center and the borrower. An award shall not constitute a binding contract.

406.8(3) *Transmittal.* The borrower must execute and return the contract to the authority within 90 days of the transmittal of the final contract from the authority. Failure to do so may be cause for the board to terminate the award.

406.8(4) *Disbursement of funds.* Borrowers shall submit requests for disbursement of funds on the forms provided by the authority.

406.8(5) *Amendment.* Any substantive change to the scope of work for a project or request to renegotiate loan terms shall require an amendment to the contract. The board may consider requests for loan forgiveness if the borrower demonstrates forgiveness is necessary to avoid a negative material impact on the project or potential default. The borrower shall request amendments in writing. No amendment shall be valid until approved by the board. The authority may execute nonsubstantive or ministerial changes to the contract without board approval.

406.8(6) *Closeout.* Upon contract expiration or project completion, the authority shall initiate project closeout procedures.

406.8(7) *Record keeping and retention.* Borrowers shall retain all financial records, supporting documents and all other records pertinent to the loan for three years after the contract is closed or the loan is put in default and is not cured.

406.8(8) *Reporting and compliance.* The borrower shall complete all reports required by the contract executed pursuant to subrule 406.8(2). The authority reserves the right to conduct site visits of all awarded projects to ensure the projects were built as proposed and to provide verification of ongoing operation. The authority will monitor all loans to ensure that loan proceeds have been spent as identified in the contract and that all other sources of financing have been committed to the project.

406.8(9) *Default.*

a. At any time during the project or the repayment of the loan, the authority may find that a borrower is in default under the terms of the loan contract. The authority will take prompt, appropriate, and aggressive debt collection action to recover any funds misspent by borrowers.

b. If the authority determines that a borrower is in default, the authority may seek recovery of the loan plus interest or other penalties, negotiate alternative payment schedules, suspend or discontinue collection efforts and take other action as the authority deems necessary.

c. The authority shall attempt to collect the amount owed. Any negotiated settlement, write-off, or discontinuance of collection efforts is subject to final review by and approval of the board.

d. If the authority refers a defaulted contract to outside counsel for debt collection, then the terms of the contract between the authority and the outside counsel regarding the scope of counsel's authorization to accept settlements shall apply.
