

261—65.11(15) Redevelopment tax credit.

65.11(1) Purpose. The purpose of the redevelopment tax credits program is to make tax credits available for a redevelopment project investment. The authority may cooperate with the department of natural resources and local governments in an effort to disseminate information regarding the redevelopment tax credit.

65.11(2) Eligible applicant. An individual, partnership, limited liability company, S corporation, estate, or trust electing to have income taxed directly to the individual may claim a redevelopment tax credit. Once an applicant is deemed eligible, the applicant shall be considered a qualifying investor for a redevelopment tax credit. A city or county may not apply for a redevelopment tax credit.

65.11(3) Tax credit certificate.

a. Issuance. The authority shall issue a redevelopment tax credit certificate upon completion of the project and submittal of proof of completion by the qualified investor. The tax credit certificate shall contain the qualified investor's name, address, and tax identification number; the amount of the credit; the name of the qualifying investor; whether the taxpayer has satisfied the requirements for the credit to be refundable; any other information required by the department of revenue; and a place for the name and tax identification number of a transferee and the amount of the tax credit being transferred.

b. Claims. To claim a tax credit under this rule, a qualified investor shall file a claim with the department of revenue pursuant to the department's applicable rules. The qualified investor must include one or more tax credit certificates with the qualified investor's tax return. A tax credit certificate shall not be used or included with a return filed for a taxable year beginning prior to the tax year listed on the certificate. The tax credit certificate or certificates included with the qualified investor's tax return shall be issued in the qualified investor's name, expire on or after the last day of the taxable year for which the qualified investor is claiming the tax credit, and show a tax credit amount equal to or greater than the tax credit claimed on the qualified investor's tax return.

c. Transfer. Tax credit certificates issued under this rule may be transferred to any person or entity pursuant to the department of revenue's applicable rules, except a tax credit certificate that is refundable pursuant to Iowa Code section 15.293A(1)"c"(2) as amended by 2022 Iowa Acts, House File 2317, shall not be transferable.

65.11(4) Tax credit amount and limitations.

a. Refundability. A tax credit in excess of the taxpayer's liability for the tax year is refundable only to the extent indicated in Iowa Code section 15.293A(1)"c"(2) as amended by 2022 Iowa Acts, House File 2317.

b. Percentage. The amount of the tax credit shall equal one of the following:

- (1) Twelve percent of the taxpayer's qualifying investment in a grayfield site.
- (2) Fifteen percent of the taxpayer's qualifying investment in a grayfield site if the qualifying redevelopment project meets the requirements of green development as defined in 261—65.2(15).
- (3) Twenty-four percent of the taxpayer's qualifying investment in a brownfield site.
- (4) Thirty percent of the taxpayer's qualifying investment in a brownfield site if the qualifying redevelopment project meets the requirements of green development as defined in 261—65.2(15).

c. Maximum credit per project. The maximum amount of a tax credit for a qualifying investment in any one qualifying redevelopment project shall not exceed 10 percent of the maximum amount of tax credits available in any one fiscal year pursuant to paragraph 65.11(4)"d."

d. Maximum credit total. For the fiscal year beginning July 1, 2021, and for each subsequent fiscal year, the maximum amount of tax credits allocated to the program by the authority shall be an amount determined by the board but not in excess of the amount established pursuant to Iowa Code section 15.119. Tax credits awarded pursuant to paragraph 65.11(7)"b" shall not be counted against the allocation determined by the board pursuant to this paragraph.

65.11(5) Reduction of tax credit.

a. Taxes imposed under Iowa Code section 422.11V, less the credits allowed under Iowa Code sections 422.12, 422.33, 422.60, 432.12L, and moneys and credits imposed under Iowa Code section 533.329 shall be reduced by a redevelopment tax credit allowed under Iowa Code sections 15.291 to 15.294.

b. For purposes of individual and corporate income taxes and the franchise tax, the increase in the basis of the redeveloped property that would otherwise result from the qualified redevelopment costs shall be reduced by the amount of the credit computed under this rule.

65.11(6) *Project completion.*

a. An investment shall be deemed to have been made on the date the qualifying redevelopment project is completed. An investment made prior to January 1, 2009, shall not qualify for a tax credit under this rule.

b. A registered project shall be completed within 30 months of the project's approval unless the authority, with the approval of the board, provides additional time to complete the project. If the registered project is not completed within the time required, the project is not eligible to claim a tax credit.

c. Failure to comply. If a taxpayer receives a tax credit pursuant to Iowa Code section 15.293A, but fails to comply with any of the requirements, the taxpayer loses any right to the tax credit. The Iowa department of revenue shall seek recovery of the value of the credit the qualified investor received.

65.11(7) *Tax credit carryover.*

a. If the maximum amount of tax credits available has not been issued at the end of the fiscal year, the remaining tax credit amount may be carried over to a subsequent fiscal year or the authority may prorate the remaining credit amount among other eligible applicants.

b. Tax credits revoked under subrule 65.8(4) including tax credits revoked up to five years prior to July 1, 2021, and tax credits not awarded under subrules 65.8(5) and 65.8(6), may be awarded in the next annual application period established in Iowa Code section 15.293B(1) "c."

65.11(8) *Authority registration and authorization.* The authority shall develop a system for registration and authorization of tax credits. The authority shall control distribution of all tax credits distributed to investors, including developing and maintaining a list of tax credit applicants from year to year to ensure that if the maximum aggregate amount of tax credits is reached in one year, an applicant can be given priority consideration for a tax credit in an ensuing year.

65.11(9) *Other financial assistance considerations.* If a qualified investor has also applied to the authority, the board, or any other agency of state government for additional financial assistance, the authority, the board, or the agency of state government shall not consider the receipt of a tax credit issued pursuant to this rule when considering the application for additional financial assistance.
