

265—23.2(16) Priority of loan awards. It is the authority's intent to award loans under the program to those applicants that meet all of the requirements of this chapter and satisfy all threshold and underwriting requirements of the applicable qualified allocation plan adopted by the authority pursuant to 265—12.1(16). The authority intends to award the available funds under this program each year if applicants meet all applicable requirements, provided, however, that the authority shall give preference in the manner it deems most appropriate to projects that reunite mothers with their children. The authority will announce its expected amount of funds available prior to each tax credit application deadline. To the extent that sufficient funds are not available to fully fund all applications, awards under this program will be funded in the following order of priority:

1. Applicants awarded tax credits under the service-enriched set-aside;
2. Applicants awarded tax credits under any other set-aside; and
3. Applicants awarded tax credits outside of a set-aside.

Applicants within set-asides will compete based on points awarded under the qualified allocation plan.
