

265—43.5(16) Program guidelines. For-profit and nonprofit sponsors are eligible to apply for assistance under this program based on the following program guidelines; however, prior to submission of the loan application, a service provider must receive approval of a service plan to benefit the Medicaid waiver-eligible individuals who reside in the project. The service provider may apply for the loan fund; however, the service provider does not have to be the applicant for the loan fund. If the service provider is not the loan applicant, a memorandum of understanding must exist between the loan applicant and the service provider which shows an obligation on behalf of the service provider to deliver services to the Medicaid waiver-eligible individuals residing in the project and which shows that the loan applicant is obligated to offer housing to the Medicaid waiver-eligible individuals who need the services provided by the service provider.

43.5(1) Projects eligible for assistance must meet the following criteria:

a. Written approval must be obtained from the department for the proposed project prior to application for loan funds.

b. In order to be approved by the department, the project must demonstrate all of the following components:

(1) The project serves one of the following Medicaid waiver-eligible populations:

1. Individuals who are currently underserved in community settings, including individuals who are physically aggressive or have behaviors that are difficult to manage or individuals who meet the PMIC level of care; or

2. Individuals who are currently placed out of state by the department; or

3. Individuals who are currently receiving care in an Iowa-licensed health care facility.

(2) A plan to provide each Medicaid waiver-eligible individual with crisis stabilization services to ensure that the individual's behavioral issues are appropriately addressed by the provider.

(3) Policies and procedures that prohibit discharge of the Medicaid waiver-eligible individual from the waiver services provided by the project provider unless an alternative placement that is acceptable to the individual or the individual's guardian is identified.

c. In order to be approved by the department for application for funding for development of infrastructure in which to provide supportive services under this chapter, a project shall include all of the following components:

(1) Provision of services to Medicaid waiver-eligible individuals who meet the PMIC level of care.

(2) Policies and procedures that prohibit discharge of the Medicaid waiver-eligible individual from the waiver services provided by the project provider unless an alternative placement that is acceptable to the individual or the individual's guardian is identified.
