

27—2.6(161A) Quorum and voting requirements.

2.6(1) *Quorum.* A majority of the voting members of the committee constitutes a quorum.

2.6(2) *Voting.* The concurrence of a majority of the committee members is required to determine any matter before the committee for action, except for a vote to close a meeting which requires the concurrence of two-thirds of the members of the committee present.
