

**27—20.61(161A) Record of distribution—district file.**

The district will maintain a file system, indexed according to township, range and section to adequately describe each farm unit, that contains a record of:

1. The date the conservation folder was certified complete.
2. The date a letter of notification was sent to the landowner.
3. The landowner's name and address.
4. The operator's name and address.
5. The date the conservation folder was delivered and:
  - By whom,
  - To whom,
  - Method of delivery.
