

281—120.346(34CFR303) Responsibility and accountability. Each public agency or EIS provider who has a direct role in the provision of early intervention services is responsible for making a good-faith effort to assist each eligible child in achieving the outcomes in the child's IFSP. However, Part C of the Act does not require that any public agency or EIS provider be held accountable if an eligible child does not achieve the growth projected in the child's IFSP, so long as the child's IFSP was reasonably calculated to confer benefit and was implemented.
