

281—43.9(285) Activity trips deducted. Transporting school districts that use their equipment for activity trips, educational tours, or other types of transportation services as permitted in Iowa Code section 285.10(9) and 285.10(10) are to deduct the cost of trips from the total yearly transportation cost. These costs may not be included in the pro rata costs that determine the charge to sending districts.
