

281—80.4(272) Application; approval of programs. Approval of paraeducator preparation programs by the state board will be based on the recommendation of the director after study of the factual and evaluative evidence of record about each program in terms of the standards contained in this chapter. Approval, if granted, will be for a term of seven years; however, approval for a shorter term may be granted by the state board if it determines conditions so warrant. If approval is not granted, the applicant institution will be advised concerning the areas in which improvement or changes appear to be essential for approval. In this case, the institution will be given the opportunity to present factual information concerning its programs at the next regularly scheduled meeting of the state board. The institution may also reapply at its discretion to provide evidence of the actions taken toward suggested improvement. Any application submitted under this rule is to be submitted by the authorized official.
