

281—82.6(272) Assessment system and organization evaluation standard. An organization's assessment system monitors individual candidate performance and uses the performance data in concert with other information to evaluate and improve the organization and its program. The actual annual evaluation of each SAM is performed by the administrator or the administrator's designee, and the evaluation is conducted in accordance with the standards set forth in rule 281—82.7(272). The organization will annually report data to the department, as determined by the department. The department will periodically conduct a survey of schools or facilities that employ authorized SAMs to ensure that the schools' and facilities' needs are adequately met by the programs and the approval process herein.
