

282—11.34(256) Reinstatement. Any person whose license, certificate or authorization to practice has been suspended may apply to the board for reinstatement in accordance with the terms and conditions of the order of the suspension.

11.34(1) All proceedings for reinstatement will be initiated by the respondent, who will file with the board an application for reinstatement. Such application will be docketed in the original case in which the license, certificate or authorization was suspended. All proceedings upon the application for reinstatement will be subject to the same rules of procedure as other cases before the board.

11.34(2) An application for reinstatement will allege facts that, if established, will be sufficient to enable the board to determine that the basis for the suspension of the respondent's license, certificate or authorization no longer exists and that it will be in the public interest for the license, certificate or authorization to be reinstated. The burden of proof to establish such facts will be on the respondent.

11.34(3) An order denying or granting reinstatement will be based upon a decision that incorporates findings of fact and conclusions of law. The board may grant reinstatement with or without conditions.
