9.5(1) *Issue and expiration dates on original license.* A license is valid only from and after the date of issuance. Licenses, authorizations, certificates, and statements of professional recognition will expire on the last day of the practitioner's birth month after the term of the license unless otherwise specified. If the expiration date is changed by rule, the change may be retroactive.

9.5(2) *Correcting licenses.* If a licensee notifies board staff of a typographical or clerical error on the license within 30 days of the date of the board's issuance of a license, a corrected license will be issued without charge to the licensee.

9.5(3) *Fraud in procurement or renewal of licenses.* Fraud in procurement or renewal of a license or falsifying records for licensure purposes will constitute grounds for filing a complaint with the board.
