

283—15.6(261) Criteria for maintaining eligible program status. The following criteria shall be used in the certification process.

15.6(1) By providing student data in a form and manner prescribed by the college student aid commission, the eligible institution shall demonstrate the eligible program, upon completion, leads to employment and not primarily to transfer to baccalaureate degree programs. The college student aid commission, the department of workforce development, and the Iowa department of education shall jointly determine employment outcomes, including wage thresholds.

If an eligible institution fails to demonstrate that an eligible program meets the certified outcomes for three successive years, new eligible students entering the eligible program are prohibited from receiving awards under this rule until such time that the college student aid commission determines that certified outcomes are being met.

15.6(2) A list of all programs eligible for the future ready Iowa skilled workforce last-dollar scholarship program, as well as the required courses and the suggested course sequence, must be available in one prominent location on the eligible institution's website.
