

**283—6.1(17A,22) Definitions.** As used in this chapter:

“*Commission*” means the Iowa college student aid commission.

“*Confidential record*” means a record which is not available as a matter of right for examination and copying by members of the public under applicable provisions of law. Confidential records include records or information contained in records that the commission is prohibited by law from making available for examination by members of the public, and records or information contained in records that are specified as confidential by Iowa Code section 22.7, or other provision of law, but that may be disclosed upon order of a court, the lawful custodian of the record, or by another person duly authorized to release the record. Mere inclusion in a record of information declared confidential by an applicable provision of law does not necessarily make that entire record a confidential record.

“*Custodian*” means the commission, or a person lawfully delegated authority by the commission to act for the commission in implementing Iowa Code chapter 22.

“*Open record*” means a record other than a confidential record.

“*Personally identifiable information*” means information about or pertaining to an individual in a record which identifies the individual and which is contained in a record system.

“*Record*” means the whole or a part of a “public record,” as defined in Iowa Code section 22.1, that is owned by or in the physical possession of the commission.

“*Record system*” means any group of records under the control of the commission from which a record may be retrieved by a personal identifier such as the name of an individual, number, symbol, or other unique retriever assigned to an individual.
