

283—6.12(17A,22) Availability of records. This rule lists the commission records which are open to the public, those which are confidential, and those which are partially open and partially confidential.

Commission records are listed by category, according to the legal basis for confidential treatment (if any). The commission administers federally funded programs, as well as state programs, and is authorized by Iowa Code section 22.9 to enforce confidentiality standards for federal law and regulations as are required for receipt of the funds. A single record may contain information from several categories.

The chart indicates whether the record contains personally identifiable information, and indicates the legal authority for confidentiality and for the collection of personally identifiable information.

Abbreviations are used in the chart as follows:
