

351—2.14(22,68A,68B) Personally identifiable information. This rule describes the nature and extent of personally identifiable information that is collected, maintained, and retrieved by the board by personal identifier in record systems as defined in rule 351—2.1(22,68A,68B). For each record system, this rule describes the legal authority for the collection of that information and the means of storage of information and indicates whether a data processing system matches, collates, or permits the comparison of personally identifiable information in one record system with personally identifiable information in another record system. The record systems maintained by the board are:

2.14(1) *Personnel files.* The board maintains files containing information about employees, families and dependents, and applicants for positions with the board. The files include payroll records, biographical information, medical information relating to disability, performance reviews and evaluations, disciplinary information, information required for tax withholding, information concerning employee benefits, affirmative action reports, and other information concerning the employer-employee relationship. Some of this information is confidential under Iowa Code section 22.7(11).

2.14(2) *Campaign finance organization statements.* These records include the name and address of the campaign committee and the name and address of the committee officers. The name of the committee may contain a personal identifier. This information is collected pursuant to Iowa Code section 68A.201 or may be voluntarily submitted and is stored on paper and in an automated data processing system. The information stored in the data processing system does not match, collate or permit comparison with other data processing systems. The information contained in statements of organization is public information.
