

**441—111.12(249) Emergency care and release of client.**

**111.12(1)** In case of an emergency, vacation, or overnight trip, requiring the family's temporary absence from the home, the local department shall be notified and arrangements shall be made with a designated, responsible person for the care of a client during the period of absence.

**111.12(2)** The department shall be notified when the client leaves or the client or family expresses a desire for the client to leave the family-life home.
