

441—112.7(237) Provisional license.

112.7(1) *Time frame for provisional licenses.* The administrator may issue a provisional license for not more than one year when a licensee's facility does not meet the requirements of this chapter and the licensee submits a written corrective action plan that is approved by the administrator to bring the facility into compliance with the applicable requirements.

112.7(2) *Written report.* The administrator or the administrator's designee will provide a report identifying the reasons for the provisional license and the standards that have not been met.

112.7(3) *Corrective action plan.* The facility shall furnish the licensing agency with a plan of action to correct deficiencies listed that resulted in the provisional license. The plan shall give specific dates upon which the corrective action will be completed.

This rule is intended to implement Iowa Code section 237.5.
