

**441—114.16(237) Work or vocational experiences.**

**114.16(1)** *Written description.* The facility shall have a written statement of any work and vocational experiences available to children.

**114.16(2)** *Program component.* Work as part of the program shall be identified in the child's case plan.

**114.16(3)** *Self-care.* Ordinary self-care and self-sufficiency tasks are not considered work.

**114.16(4)** *Purpose.* Work shall be in the child's interest, within the child's ability, with payment where appropriate, and never solely in the interest of the facility's goals or needs.
