

441—116.5(237) Program components. In addition to the requirements of 441—subrule 114.8(3), the facility shall have and follow a written procedure that defines who is responsible for overseeing personal hygiene of children and maintaining general orderliness of the facility.

This rule is intended to implement Iowa Code section 237.3.

[ARC 4793C, IAB 12/4/19, effective 1/8/20]
