

441—51.8(249) Furnishing of social security number. As a condition of eligibility applicants or recipients of state supplementary assistance must furnish their social security account numbers or proof of application for the numbers if they have not been issued or are not known and provide their numbers upon receipt.

Assistance shall not be denied, delayed, or discontinued pending the issuance or verification of the numbers when the applicants or recipients are cooperating in providing information necessary for issuance of their social security numbers.

This rule is intended to implement Iowa Code sections 249.3 and 249.4.
