

441—76.5(249A) Enrollment through SSI. Upon receipt of a referral from the Social Security Administration indicating that an individual has been approved for SSI, the department will treat the referral as an application for medical assistance and will process the application as if received directly by the department. The SSI recipient shall be required to complete SSI Medicaid Information, Form 470-0364, 470-0364(S), 470-0364(M), or 470-0364(MS), when additional information is necessary to determine Medicaid eligibility. The SSI recipient may be required to attend an interview to clarify information on this form.
