

441—77.50(249A) Ordering and referring providers. A provider who provides services, including orders and referrals, to a Medicaid member shall be enrolled as a Medicaid provider as a condition of payment eligibility for services rendered to that Medicaid member. A provider who does not individually bill for services rendered due to, for example, payment arrangements with a facility or supervising provider, shall also be required to enroll. Enrollment will be for the purpose of ordering or referring items and providing professional services to Medicaid members and will not affect the provider's payment arrangements with such facilities or supervising providers.

This rule is intended to implement Iowa Code section 249A.4.
