

**441—78.52(249A) HCBS children’s mental health waiver services.** Payment will be approved for the following services to members eligible for the HCBS children’s mental health waiver as established in 441—Chapter 83 and as identified in the member’s service plan. Effective March 17, 2022, payment shall only be made for services provided in integrated, community-based settings that support full access of members receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS.

**78.52(1) General service standards.** All children’s mental health waiver services must be provided in accordance with the following standards:

*a.* Reimbursement shall not be available under the waiver for any services that the member can obtain as other nonwaiver Medicaid services or through any other funding source.

*b.* All services provided under the waiver must be delivered in the least restrictive environment possible and in conformity with the member’s service plan.

*c.* All rights restrictions must be implemented in accordance with 441—subrule 77.25(4). The member service plan or treatment plan shall include documentation of:

(1) Any restrictions on the member’s rights, including the rights of privacy, dignity, respect, and freedom from coercion and restraint.

(2) The need for the restriction.

(3) The less intrusive methods of meeting the need that have been tried but did not work.

(4) Either a plan to restore those rights or written documentation that a plan is not necessary or appropriate.

(5) Established time limits for periodic reviews to determine if the restriction is still necessary or can be terminated.

(6) The informed consent of the member.

(7) An assurance that the interventions and supports will cause no harm to the member.

(8) A regular collection and review of data to measure the ongoing effectiveness of the restriction.

*d.* Services must be billed in whole units.

*e.* For all services with a 15-minute unit of service, the following rounding process will apply:

(1) Add together the minutes spent on all billable activities during a calendar day for a daily total.

(2) For each day, divide the total minutes spent on billable activities by 15 to determine the number of full 15-minute units for that day.

(3) Round the remainder using these guidelines: Round 1 to 7 minutes down to zero units; round 8 to 14 minutes up to one unit.

(4) Add together the number of full units and the number of rounded units to determine the total number of units to bill for that day.

**78.52(2) Environmental modifications and adaptive devices.**

*a.* Environmental modifications and adaptive devices include medically necessary items installed or used within the member’s home that are used by the member to address specific, documented health, mental health, or safety concerns. The following items are excluded under this service:
