

441—8.1(217) Authorization to reimburse. The department will follow Iowa Code section 217.23(2) when reimbursing employees for personal items damaged or destroyed by clients of the department during the employee's tour of duty. The claimant shall provide the department with a detailed written account of the incident, including an estimated cost of repair or replacement.

This rule is intended to implement Iowa Code section 217.23.
