

481—41.13(135H) Plan of care team. The individual plan of care shall be developed by an interdisciplinary team of physicians and other personnel who are employed by the facility or provide services to patients.

41.13(1) Based on education and experience, the team must be capable of:

- a.* Assessing the recipient's immediate and long-range therapeutic needs, developmental priorities, and personal strengths and liabilities;
- b.* Assessing the potential resources of the recipient's family;
- c.* Setting treatment objectives; and
- d.* Prescribing therapeutic modalities to achieve the plan's objectives.

41.13(2) The team shall include at least one member who is experienced in child psychiatry or child psychology and must include, as a minimum, either:

- a.* A board-eligible or board-certified psychiatrist; or
- b.* A clinical psychologist who has a doctoral degree and a physician licensed to practice medicine or osteopathy; or
- c.* A physician licensed to practice medicine or osteopathy with specialized training and experience in the diagnoses and treatment of mental diseases, and a psychologist who has a master's degree in clinical psychology or who has been certified by the state psychological association.

41.13(3) The team must also include one of the following:

- a.* A psychiatric social worker;
- b.* A registered nurse with specialized training or one year of experience in treating mentally ill individuals;
- c.* A licensed occupational therapist who has specialized training in treating mentally ill individuals; or
- d.* A psychologist who has a master's degree in clinical psychology or who has been certified by the state psychological association.

This rule is intended to implement Iowa Code section 135H.3.
