

**501—1.10(80B) Budget submitted to comptroller.** The director, with the approval of the council, shall submit to the state comptroller, annually and in such form as required by Iowa Code chapter 8, estimates of its expenditure requirements. Estimates shall include the costs of administration, maintenance, and operation, and the cost of any proposed capital improvements or additional programs.

This rule is intended to implement Iowa Code section 80B.14.
