The petition must be dated and signed by the petitioner or the petitioner’s representative. It must also include the name, mailing address, and telephone number of the petitioner and petitioner’s representative, and a statement indicating the person to whom communications concerning the petition should be directed.

The academy council may deny a petition because it does not substantially conform to the required form.

1.11(2) Briefs. The petitioner may attach a brief to the petition in support of the action urged in the petition. The academy council or the academy staff may request a brief from the petitioner or from any other person concerning the substance of the petition.

1.11(4) Academy council consideration. Upon request by petitioner in the petition, the academy director must schedule a brief and informal meeting between the petitioner and the academy council, a member of the academy council, or a member of the staff of the academy to discuss the petition. The academy council or a member of the academy staff may request the petitioner to submit additional information or argument concerning the petition. Comments may also be solicited from any person on the substance of the petition. Also, comments on the substance of the petition may be submitted to the academy council by any person.

Within 60 days after the filing of the petition, or within any longer period agreed to by the petitioner, the academy council shall deny the petition in writing on the merits and notify the petitioner of its action and the specific grounds for the denial, or grant the petition and notify the petitioner that it has instituted rule-making proceedings on the subject of the petition. The academy council shall submit the petition and the disposition of the petition to the administrative rules review committee. The petitioner shall be deemed notified of the denial or grant of the petition on the date when the academy council mails or delivers the required notification to the petitioner.

Denial of a petition because it does not substantially conform to the required form does not preclude the filing of a new petition on the same subject that seeks to eliminate the grounds for the academy council’s rejection of the petition.

This rule is intended to implement Iowa Code section 17A.7.
