

567—106.6(455B,455D) Citizen convenience center reporting requirements. A citizen convenience center that directly disposes of solid waste outside Iowa shall report the following information, on a form provided by the department, to the department and local solid waste authority on a quarterly basis:

106.6(1) Tons of solid waste disposed of.

106.6(2) Comprehensive planning areas from which the solid waste originated, and the tons of solid waste disposed from each county and comprehensive planning area.

106.6(3) Destinations of all outgoing solid waste.
