

567—116.3(455B,455D) Registration requirement. A waste tire hauler shall register with and obtain a certificate of registration from the department in accordance with this chapter before hauling waste tires in Iowa. Waste tire haulers that pick up tires within Iowa or that bring waste tires to Iowa for disposal, storage, or processing shall be required to register.

116.3(1) Registration exemption. A waste tire hauler shall not be required to register under the following circumstances:

a. The waste tire hauler only travels through the state with waste tires as a part of interstate commerce and does not pick up, deposit, transfer, store, or dispose of any waste tires in Iowa.

b. The waste tire hauler is a municipal, county, state, or other public agency, and the vehicles used for transport of the waste tires are owned and licensed by the public agency. The agency may only haul up to 10,000 waste tires within a 12-month period without obtaining a waste tire hauler's registration.

116.3(2) Annual registration.

a. A waste tire hauler registration shall be valid for one year, and the waste tire hauler must annually renew the waste tire hauler registration in order to continue to provide waste tire hauling services within the state.

b. Initial registration of a waste tire hauler shall be valid upon the date of issuance by the department and shall be effective for a minimum 12-month period thereafter, with expiration of the initial registration to occur on either January 1 or July 1, whichever date occurs most closely after the initial 12-month registration period.

c. Subsequent annual renewals of the waste tire hauler's registration shall then occur on either January 1 or July 1, subject to the date of the original expiration as referenced in 116.3(2)"*b.*"
