

**567—72.7(455B) Sanitary landfills.** The following criteria shall apply to sanitary landfills.

**72.7(1) Location.** Sanitary landfills shall not be located so as to individually or collectively conflict with 567—75.4(455B) governing the establishment of encroachment limits.

**72.7(2) Flood protection.** Flood protection for the active working portion of the sanitary landfill shall be provided to the level necessary for high damage potential buildings or building complexes.
