

567—91.3(455B) Purpose. The Clean Water Act requires that all uses of CWSRF funds are prioritized. This chapter identifies the criteria that are used to rate projects and activities for both POTW and nonpoint sources. The commission is to set funding targets for POTW and nonpoint source activities and to adjust the fundable project list to ensure that the short- and long-term goals of the intended use plan (IUP) are achieved. The public has an opportunity annually, and quarterly as needed, to comment on both the fundable list and the short- and long-term goals of the IUP.
