

**571—105.7(481A) County park deer management zones.**

**105.7(1)** Deer management zones will be established in county parks only after a request from county government and when approved by the commission. Zones, seasons and other conditions for hunting will be designated the same as specified in 571—105.3(481A).

**105.7(2)** Special restrictions. County park managers may require hunters to do one or more of the following: pass a hunter safety and education course, pass a weapons proficiency test, or be approved by the appropriate county sheriff or conservation officer.
