

571—113.1(481A) Applicability. These rules apply to persons who cause, by water pollution, the destruction of or injury to wild animals held in trust by the state for the public. In most cases this would involve the destruction of aquatic life or other wildlife under the ownership of the state, as provided in Iowa Code section 481A.2. These rules relate to the compensation to the state and public for the natural resource damages and are in addition to any other legal recourse for the event or action that caused the destruction or damage. The administration of this chapter shall not result in a duplication of damages collected by the department under Iowa Code section 455B.392, subsection 1, paragraph “c.”
