Students who successfully complete such a course are not required to take any additional training and are eligible to receive an education card issued by the department upon proof of completion of the course and payment of the certification fee.

**12.31(3)** The following criteria apply to the ATV education program:

*a.* Any student who is 11 years of age or older may enroll in a course and receive a certificate if the student successfully completes the course; however, if the student is 11 years old, the certificate shall not become valid until the student's twelfth birthday.

*b.* Students shall register as described on the program's website.

*c.* Students engaging in the rider-based course must provide their own protective riding gear and a properly sized ATV. The student will follow all applicable requirements of Iowa Code chapter 321I.

**12.31(4)** The department will establish requirements and standards for curriculum, security protocol, and course delivery for an online education offering. Only vendors that have entered into a memorandum of understanding with the department will be allowed to offer an online course that results in the issuance of a department education certificate.
