

**641—55.2(135) Mission of council.** The council's mission is to represent individuals with brain injury, their families, and all Iowans through advocacy, education, training, rehabilitation, research and prevention. By means of these efforts, the council brings about awareness to others and serves as a source of hope and healing to survivors of brain injury. The council will accomplish this mission through the following activities:

1. Studying the needs of individuals with brain injury and their families.
2. Making recommendations regarding the planning, development, and administration of a comprehensive statewide service delivery system.
3. Promoting and implementing injury prevention strategies.
