

641—80.3(135) Contractor assurances.

80.3(1) The contractor may directly provide or subcontract all or part of the delivery of essential public health services and public health interventions.

80.3(2) The contractor shall make certain the following:

- a.* A work plan is submitted annually through an application process that identifies the intended public health interventions and essential public health services for the designated fiscal year;
- b.* Staff are available to meet the core public health functions, deliver essential public health services, and implement the public health interventions outlined in the work plan;
- c.* As applicable, contractors will assure that policies and procedures are available for public health interventions and essential public health services identified in the work plan;
- d.* Fiscal accountability of funds is monitored;
- e.* Contract-required documentation, including performance metrics, is submitted by the established deadline;
- f.* A local appeal process is available for public health interventions identified in the work plan; and
- g.* All applicable local, state, and federal requirements are met.
