

641—80.4(135) Utilization of LPHS contract funding. The contractor may bill the department for staff time, salaries and benefits, and other necessary costs to implement the approved work plan.

80.4(1) *Planning process.* Annually, the contractor shall conduct a planning process to identify the utilization of LPHS contract funding that considers the unique and changing needs of the communities served.

80.4(2) *Reallocation.* The department will annually determine the potential for unused funds from contracts. Reallocation of the funds shall be at the discretion of the department.
