88.6(1) The claim involves medical injury alleged to have been proximately caused by health care services which were identified and approved in the protection or sponsor agreement with the VHCPP and then only to the extent the health care services were provided by or under the direct supervision of the individual volunteer health care provider, including claims based on negligent delegation of health care, or the individual volunteer health care provider is named as a defendant solely because of the individual volunteer health care provider's participation in the protected clinic or sponsor entity clinic.

88.6(2) The claim arises from covered health care services that were performed at a site identified and approved in the protection agreement with the VHCPP.

88.6(3) The claim arises from covered health care services provided through a protected clinic or sponsor entity clinic identified and approved in the individual volunteer health care provider's protection agreement with the VHCPP and which meets the requirements of rule 641—88.3(135).

88.6(4) The individual volunteer health care provider, health care provider, protected clinic, or sponsor entity clinic that provided the health care services receives no direct monetary compensation of any kind and no promise to pay compensation for the health care services which allegedly resulted in medical injury.

88.6(5) The health care services are provided to a patient who is a member of a patient group identified in the sponsor entity or protected clinic protection agreement with the VHCPP.

88.6(6) The individual volunteer health care provider, protected clinic, or sponsor entity clinic is eligible and registered as provided in rule 641—88.3(135) or the care is provided by a health care provider who holds current professional liability insurance coverage and an active unrestricted license to practice in Iowa under Iowa Code chapter 147A, 148, 148A, 148B, 148C, 149, 151, 152, 152B, 152E, 153, 154, 154B, 154C, 154D, 154F, or 155A and has been approved by the VHCPP.
