A logbook of retail sales of products containing pseudoephedrine, as required in 2005 Iowa Acts, Senate File 169, may be recorded in any electronic format, provided that the retailer maintaining the logbook provides to any peace officer a printed copy of the information required to be maintained in the same manner as would be provided if the logbook were maintained on paper.

NOTE 1: Information required to be recorded in the logbook includes the legible signature of the purchaser and the printed name and address of the purchaser.

NOTE 2: This rule applies only to the content of the information provided to a peace officer from a logbook, not to the conditions or circumstances under which information from a logbook is provided to a peace officer.
