

661—265.8(10A) Revocation of license. If the department or department's designee determines during a physical site inspection that a serious violation has occurred, the license for that retail location may be immediately revoked. Vendors will be given the opportunity to remedy violations that are not deemed serious violations.

[ARC 7872C, IAB 4/17/24, effective 5/22/24]
