

661—3.9(17A,331) Jackets. There shall be three types of jackets.

Light duty jacket. The color shall be sage green and the jacket shall be waist length with elastic in the waistband. It shall zip up the front and the coat style sleeves shall have no buttons on the cuffs. The shoulder straps shall be of the same material as the jacket and be sewed down.

Ike-type dress jacket. The color shall be pink tan to match the shirt and the jacket shall have plain coat sleeves, zip up the front and have zip side vents for a weapon.

Reefer-type car jacket. The color shall be sage green and the jacket shall have a permanent liner with inside pockets, be single breasted of midlength, have a two-way zipper down the front, two breast flap pockets, two lower slash pockets, and two zippered side vents, one on each side.

The uniform shall also include socks, blazers with slacks to match and a jumpsuit.
