

661—322.12(103A) Suspension of installation requirements in proclaimed disaster emergencies. The commissioner may suspend any requirement established in this chapter or 661—Chapter 16 for the installation of manufactured homes, provided that all of the following apply:

1. The installation is within an area that is currently subject to a disaster emergency proclamation issued by the governor.
2. The commissioner finds that suspension of the requirement or requirements presents no imminent threat to the health or safety of any individual and specifically of any person who may occupy a manufactured home installed while the suspension is in effect.
3. Any manufactured home whose installation is subject to a suspension of any requirement shall be occupied only for the duration of the disaster emergency proclamation and for no more than 180 days after the expiration of the proclamation, or for a shorter time specified by the commissioner, unless the home has been installed or reinstalled in compliance with all requirements of this chapter and 661—Chapter 16 prior to the expiration of the period specified for suspension of the requirements.
