

661—6.1(17A,321) Vehicle impoundment. The patrol division and other peace officer members of the department may impound any vehicle determined to be “abandoned” as defined in Iowa Code section 321.89(1)“a,” provided that:

1. The officer shall first attempt to determine the owner through department of transportation records and request that the communications division advise an owner found thereby that the vehicle must be moved within a reasonable time or it will be impounded, and

2. Either the owner cannot be found or the owner fails to remove the vehicle within a reasonable time.
