

681—3.50(8A) Applications. Applications for employment will contain no question so formed as to elicit any information prohibited by state or federal statutes, and the truth of statements made on the application will be certified by the signature of the applicant. Public announcement of vacancies will be made for ten calendar days in classifications for which applications are not accepted on a continuous basis. Persons with disabilities may request specific examination accommodations. Reasonable accommodations will be granted in accordance with policies established by the institution. Applications will be kept on file at the institution for a period of time to be designated by the resident director. Each institution may post recruitment announcements for application by employees of that institution only.
