

681—3.54(8A) Qualifications. Applicants must meet the qualifications for the classification as indicated in the board of regents classification description, as well as any special qualifications associated with a particular position. For each position posted for applications, the list of applicants will be evaluated to determine whether or not an applicant meets such qualifications and requirements. Those applicants who meet the required qualifications as determined by the resident director or the resident director's designee shall be eligible for further consideration for hire, transfer or promotion in the position.

An employing department may request in writing that the resident director certify applicants who have special qualifications in addition to the minimum qualifications prescribed in the classification specifications. If, in the judgment of the resident director, such a request is validly related to job performance, the resident director may certify only the names of applicants who have such special qualifications.

This rule is intended to implement Iowa Code section 8A.413.
